6<sup>th</sup> February 2012.

Dear Mr Morrisette,

I am writing to you on behalf of Mr Fil Capuano, a Chatsworth Project of Construction Management Inc. We have worked together on a range of projects, from \$25,000 to \$100,000 ... from 3000 sq. feet, to 18,000 sq. feet to 35,000 sq. feet.

I can recommend Fil with enthusiasm, based on my several years of experiences with him.

- He has a seasoned Team at Chatsworth.
- He has the experience of delivering value on modest projects, as well as managing the unusual complexities of very large projects.
- He has the connections to the prospective suppliers & subtrades.
- He knows how to "manage" the critical tendering process to the advantage of the Customer.
- He is pragmatic, a good communicator, & results oriented.

Should you ever wish to discuss your project directly with me I can be reached on T. 905 337 2620.
